

Villa Santa Lucia

Directions to Villa Santa Lucia from Rome | Fiumicino airport

(About three and ½ hours)

From ROME's FIUMICINO AIRPORT follow the signs for the autoroute (green signs) that will take you to CIVITAVECCHIA, AUTOSTRADA number A-16, it is a toll route, but you will be on it for only a short time so it will not cost much.

At CIVITAVECCHIA, the toll route will end and you will continue in what is called a SUPERSTRADA (blue signs) towards GROSSETO. This is a fast moving divided highway that will take you all the way past GROSSETO and continue towards LIVORNO.

There is an exit from the superstrada for CASTIGLIONCELLO, it will come soon after you pass the exits for VADA and ROSIGNANO, so watch for it.

When you exit in CASTIGLIONCELLO, you will be at the top of a hill, go to the bottom following the signs for VIA AURELIA or SS 1 (strada statale #1), then turn right on the VIA AURELIA in the direction of LIVORNO.

After exactly 3 km. you will arrive at the house. Slow down, as the house will be on your left, you will recognize the little white tower from the pictures, also there is the number 1109 next to the gate and the sign CARACCIOLO-VILLA SANTA LUCIA.

Around 3:00 p.m. you will be met at the Villa by our agent, his name is **Lirio Castellini** and he will give you the keys to your accommodations and show you around. Although he does not speak English, he knows the ins and outs of Villa S.Lucia and should there be any problems during your stay and you cannot reach me directly, he will be glad to do whatever he can to help.

His phone numbers are as follows:
